About Us.

Introduction

Lumini Investments (PTY) LTD is a diversified energy and economic consultancy based in Cape Town, South Africa. Founded by two professionals with more than 25 years of combined experience in the fields of energy business development, economic research, and financial modeling, Lumini Investments was established to bridge the gap between technical innovation and economic growth.

We provide comprehensive solutions that empower businesses, investors, and project developers to make informed decisions through strategic insights, detailed analysis, and reliable energy products. Our services cover a wide range of sectors — from energy market research and economic modeling to the supply of petrochemical products such as synthetic lubricants, biofuels, and refined gases.

Mission & Vision.

OUR MISSION

We strive to provide:

- Cutting-edge consultancy grounded in research and practical experience.
- High-quality energy products that meet industry standards and sustainability goals.
- Outstanding service that exceeds expectations through teamwork and transparency.

OUR VISION

To be one of South Africa's leading niche petrochemical distribution and consultancy firms, recognized for innovation, efficiency, and integrity.

OUR APPROACH

We take a holistic view of every project — integrating technical expertise, economic insight, and market intelligence.

This ensures that our clients receive solutions that are both profitable and sustainable.

Our Philosophy.

At Lumini Investments, our philosophy is rooted in the belief that sustainable progress begins with informed decisions and responsible innovation. We strive to bridge the gap between economic insight and practical energy solutions, empowering businesses to grow while contributing to a cleaner, more efficient future.

Integrity, excellence, and collaboration guide everything we do — from research and strategy to product delivery.

By combining data-driven expertise with a commitment to quality, we ensure that every project we undertake creates lasting value for our clients, communities, and the environment.

The Organization.

PERRIN JWAAI

MANAGING DIRECTOR

Mr. Perrin Jwaai has over 30 years of experience in the financial and project development sectors, specialising in project financial modelling, financial analysis, and risk management across the project development lifecycle.

He has held leadership roles in commercial management, project development, and business development, and has been involved in complex oil and gas sector projects, including coal-to-liquid infrastructure and crude refinery development.

Mr. Jwaai also has experience in mergers and acquisitions, conducting due diligence and negotiating investment closures. He led teams that developed and launched new business lines including aviation fuel, LPG, lubricants, and biofuels programmes.

Through his career, he has built strong strategic partnerships with government departments, stakeholders, and customers, contributing to sustainable business growth.
